# About Your Spark

Name of your spark:

*A catchy name will get people interested*

When would you like to start your spark?

How much money will your 'small spark' idea need?

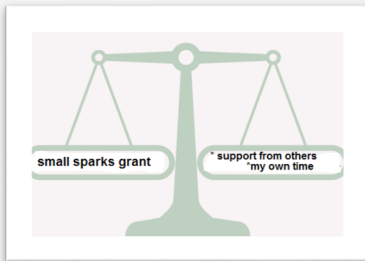

*{You can request up to £250}*

# About Your Spark

What will you spend the money on?

A large, empty rounded rectangular box for writing the answer to the question above.

How do you intend to match the amount of grant you are awarded? (e.g., support from others, using your own time, other people's time, donated materials etc.)

A large, empty rounded rectangular box for writing the answer to the question above.

# About Your Spark

How will your spark involve local people and connect people to their community?

Do you think your 'small spark' will continue after the funding?

Any Additional Information:
