

We Want to Hear Your Views about

Self-Directed Support in South Ayrshire

We are carrying out an independent review of how well self-directed support is working in South Ayrshire. We would be very interested in hearing about your experience and views of self-directed support, how this is working for you or how it could be made better. We will use your views to inform a report we are doing for the Health and Social Care Partnership which will include recommendations for future action.

Come along and talk to us at the following session:

Training room, South Ayrshire Carers Centre, 43 Sandgate, Ayr, KA7 1DA

◆ **Monday, 8th January 2018 (2.00 pm—3.30 pm)**
